

PARKING OPTIONS AT JOHN POUNDS COMMUNITY CENTRE

Purchase a Visitors Parking Permit from reception at The John Pounds centre for £1.15.

You will be able to scratch the time/date/day and have 12 hours free parking.

To use the Visitors parking scratch card, you must park in a **JA ZONE**.

If you see this sign, it is OK to park with your JA permit. Your scratch card is a visitor permit, therefore you are exempt and can park long term.

Display the scratch card in your windscreen

Aylward Street itself (the cobbled road) is a JA exempt road with your permit but it's usually full. The other JA zones are mostly off the side roads **on the left**.

Examples are **Bishop Street** (Next road on the left after JP Centre) where you park half up the pavement legally, and then **Curzon Howe Road**, and further down on the left **Hawke Street** and **Havant Street** are all JA zones.

Avoid parking on the main road of **Queen Street** as these are limited to ONE hour and you permit will not exempt you and you may get a fine.

Other Options: Pay & display machine on the main road of Queen Street. You will see a meter opposite the Co-op on the left-hand side further down the road.

Main Car Parks: On the left towards the end of Queen street are two large car parks including Wickam Street Car Park on the left as you drive round at the end.
